Jane,

Thank you, I confirm that I am content with the abridged description you suggest. I hope to hear later today that the application is registered, and will then be pleased to arrange with you a series of meetings to cover design planning legalities.

Best wishes for Christmas

Kind regards

Stephen

Thank you for submitting the above application. We are hoping to register it today.

Please could you firstly confirm by return that you are happy with the following description for the application?

'Outline application for up to 350 dwellings, together with new vehicular access from Warwick Road and associated open space'

Kind regards
